### Review

"First of all I would like to thank the staff at Judd's folly for all the hard work for my now wife's and my wedding.

The hotel is spectacular, set in beautiful scenery and so well decorated! From the outset Jason and his team are nothing but helpful and nothing is too small or big!

The attention to detail was something spectacular even with a very fussy bride. The food was fantastic from a very good catering team which could cater for even the fussy of people! The rooms are very reasonable priced, fantastic and very comfortable.

The staff are so cheerful even after a long day! All I can say is thank you from both of us!"
